

List of Stakeholders

Over January and February 2009, meetings were held with a range of stakeholders, including:

- Members of the Auckland Regional Council Group and ARC officers including the Harbourmaster.
- Other public sector agencies: Auckland City Council, New Zealand Customs Service, MAF Biosecurity, Government Urban and Economic Development Office and Tourism Auckland.
- Private sector organisations: ISS-McKay Shipping, Carnival Australia, Auckland Airport, Air New Zealand, Qantas, ID Tours.

These parties have been involved in subsequent conversations and have received updates on the progress of the technical work where appropriate.
