Notice 36-08 Jellicoe St Wharf Maintenance

From 01 August 2008 and until work is completed in 2009 repairs will be undertaken to the Jellicoe St wharf structure, inside Freemans Bay, Waitemata Harbour. For this work a scaffold has been erected over the face of the eastern end of the wharf and this will be progressively moved down the face of the wharf. The scaffold is identified with orange flashing lights and signage.

Boats are not to berth in this area as it will present a danger to workmen.

All vessels navigating within the area are to do so at 5 knots and with limited wake.
