

Environmental Initiatives Fund Recipients 2007

Auckland

Applicant	Environmental Initiative	Amount Allocated
Newmarket Primary School	Gardening tools for environmental projects.	\$233.00
Sue Fitchett	Pest control and monitoring on a small QE2 block.	\$390.00
Christian Healthcare Trust - Royal Oak Court Rest Home	Develop a waste reduction programme using worm farms and use the by-products for organic gardening.	\$400.00
Tania Lake	Educating community from Glen Innes on small sustainable gardening and healthy eating.	\$475.00
St Dominic's Catholic Primary School	Planting natives to increase biodiversity and for an education resource.	\$550.00
Westmere School	Creating and caring for planter boxes.	\$650.00
Joseph Kowhai	Suburban native forest restoration.	\$670.00
Akoteu Nasaleti Trust	Purchase of a tool shed and gardening utensils.	\$700.00
Shanti Niwas Charitable Trust Incorporated	Environmental awareness programmes.	\$900.00
Te Koha Waiata	Revegetation of lake side land and margins on QE2 covenanted land.	\$1,000.00
Karen Night and Mr. and Mrs. Leyland	Riparian planting.	\$1,000.00
Waiheke High School	Edible gardening.	\$1,000.00
Glendowie Primary School	Construct two waste separating units in order to reduce the waste of the school to zero.	\$1,035.00
Blockhouse Bay Intermediate	Edible organic garden.	\$1,040.00
Poonga - Tamil Community Education	Environmental education on sustainable gardening and plant identification for members of the Tamil community.	\$1,070.00
Migrants Support Services Incorporated	Environmental educational project for youth to include sustainable gardening and farm experience.	\$1,190.00
Newmarket Play Centre	Introduce the concept of environmental sustainability to children, adults, fanau and community.	\$1,500.00
Trevor Darvill and Margaret Mills	Plant pest control.	\$1,500.00
St James Kindergarten	Reduction in water use.	\$1,500.00
Kura Kaupapa Maori O Puau te Moauanui A Kiwa	Plant and maintain a native trail on the Kura grounds.	\$1,500.00
Ficino School	Develop a waste reduction programme at school and integrate this into the school curriculum.	\$1,900.00

Marshall Laing Primary School	Fenced vegetable garden and orchard.	\$2,000.00
Awaaroa Bay Limited	Wetland replanting.	\$2,000.00
Waiatarua Reserve Protection Society Incorporated	Improve the biodiversity of Waiatarua reserve by native planting.	\$2,000.00
Motu Kaikoura Trust	Monitoring of inverts, birds, and lizards before pest eradication programme starts.	\$2,000.00
Purewa Restoration Group	Restoration of Selwyn Park valley forest.	\$2,160.00
Belle Terrace Foreshore Reserve	Plant pest removal.	\$2,300.00
Churchill Park School	Teaching students about organic gardening.	\$2,335.00
Michael Park School	Organic gardening and waste reduction.	\$2,400.00
Ngatiwai O Aotea Kawa Marae Trust	Continue plant pest control work on Marae land.	\$2,410.00
Otahuhu College	Upgrade and repair native plant nursery and shade house.	\$2,500.00
Onetangi Beach Care Group	Restoration of dunes at Onetangi beach.	\$2,590.00
Otahuhu Intermediate School	Signage for Otahuhu portage route.	\$2,770.00
Mary Collow	Fencing and replanting natives.	\$2,900.00
Glenfern Sanctuary Charitable Trust	Control pests on the Kotuku Peninsula to improve the chances for North Island Robins survival so that they may breed and reach a sustainable population.	\$3,000.00
Guardians of Newton Reserve	Restoration of bush reserve.	\$3,595.00
Glendowie Primary School	Glasshouse for Trees for Survival.	\$5,000.00
Windy Hill Rosalie Bay Catchment Trust	Control pests on the Kotuku Peninsula to improve the chances for North Island Robins survival so that they may breed and reach a sustainable population.	\$5,270.00
Friends of McKenzie Reserve	Revegetation of McKenzie Reserve.	\$7,000.00
St Patrick's Cathedral Heritage Foundation	Restoration of St Patrick's Cathedral.	\$8,000.00

Franklin

Applicant	Environmental Initiative	Amount Allocated
Pauline and John Hamilton	Clear coastal bank of pest plants and replant with natives.	\$426.00
Bombay Orchards	Riparian planting.	\$445.00
June Turner	Wetland native planting by Whangapouri Stream.	\$500.00

Natasha Bridgeman	Bush block protection and bank erosion control.	\$500.00
Manukau Heads Lighthouse Trust	Design and produce native plant signage at Manukau Heads Lighthouse.	\$560.00
Bombay Landcare Group	Possum, rat and mustelid control and monitoring.	\$820.00
Jane Hodgson	Wetland gully restoration.	\$930.00
George and Carol Craig	Riparian planting of Waitangi Stream.	\$1,000.00
Awhitu Peninsula Landcare	Native plant around the restored Awhitu Lighthouse, an area of public coastal walkway at Matakawau and at the Waimatuku Reserve.	\$1,000.00
Valley School	Replanting and designing a new garden and improving condition of native bush area.	\$1,000.00
Pukekohe East Primary School	Bush restoration and fencing to keep out stock.	\$1,190.00
Waiau Pa Historical Trust	Restoration of a working horse watering hole.	\$1,450.00
Glenbrook Residents and Ratepayers Community Centre Incorporated	Fencing of wetland and stream boundary.	\$1,500.00
Stuart Donovan	Restore an area of low-lying already fenced wetland.	\$1,500.00
Roseann and Jeremy Smith	Fence off entire stream on boundary and create an ecological corridor from the Glenbrook Reserve to the Manukau Harbour.	\$1,535.00
Avonbrook Beautification Group	Community stream planting of stormwater channel which links with Reynolds Road stream.	\$1,590.00
Puni Primary School	Greenhouse and compost bin.	\$1,830.00
Awhitu Peninsula Landcare	Produce a publication "Peninsula Enviro News" and distribute to members and stakeholders on the Awhitu Peninsula.	\$2,000.00
John Lauer	Enhancing existing native bush patch.	\$2,000.00
Erikson Family Trust	Restore a currently farmed gully and stream.	\$2,000.00
Nick and Tracey Weight	Fence off a stream/pond riparian area from stock and carry out plant pest control and native planting.	\$2,180.00
Bryan Greenwood	Riparian restoration of the Whangamaire Stream.	\$2,190.00
Tony Fisher	Wetland fencing and native planting.	\$2,210.00
Mid Island Developments Limited	Restoration native planting of fenced wetland area.	\$2,340.00
Viv Wise and Nicky Reynolds	Wetland fencing.	\$2,500.00
Ecoquest Education Foundation	Whakatiwai Stream Restoration Project - restore the coastal wetlands, bush and stream margins.	\$2,500.00
Robert Killick	Native planting fenced off wetland area.	\$2,500.00

Ian and Susan Chitty	Dune restoration.	\$2,500.00
Labranza Trust	Riparian fencing and native planting on the Waitangi Stream.	\$2,520.00
D and A Clements	Fencing and native planting of stream headwaters.	\$2,670.00
Reeves Farming Trusts Partnership	Fencing and staged planting of Whangamaire stream to prevent stock entrance, stream erosion and enhance quality of water.	\$2,920.00
Roelf Schreuder	Riparian restoration of part of the Mauku Stream, Patumahoe.	\$3,000.00
Paul Whiteford	Riparian fencing and native planting.	\$3,000.00
Raewyn Carr	Fencing a stream to prevent stock intrusion.	\$3,000.00
Lucille Rutherford	Fencing off bush fragment.	\$3,000.00
Baldhill Landcare Group	Rat and possum control and native planting.	\$3,100.00
Jean and Olga Franc De Ferriere	Fence one side of stream to prevent stock intrusion.	\$3,600.00
Hickey Family Trust	Fence and plant a small wetland area to eliminate stock access and enhance ecology and connectivity.	\$3,770.00
Ray and Kathy Reynolds	Fencing and native planting of a wetland area.	\$3,900.00
Aaron and Lorraine Byrne	Native planting, fencing and plant pest control of riparian area.	\$4,700.00
Keir Simms Trust Partnership	Riparian fencing and plant pest control.	\$5,000.00
Waimatuku Farms Limited	Fencing the riparian margins of several streams on a dairy farm for stock exclusion.	\$5,000.00
Waiuku Golf and Squash Club	Clear coastal esplanade reserve of pest plants and replant with natives.	\$5,180.00
Kaywood Downs Limited	Fence an area of mature native forest to protect it from stock grazing and trampling.	\$6,380.00
RW and MH Bremner	Fence existing forest and wetland.	\$7,700.00
Ray and Jennifer Morley	Fencing off "Andrews Gully Bush and Wetland/Morley's Wetland".	\$8,000.00
Waiuku Museum Society Incorporated	Re-roof historic buildings in the museum precinct.	\$8,830.00
Pollok Farms Limited	Fence off forest remnant (PNA site).	\$10,000.00

Manukau

Applicant	Environmental Initiative	Amount Allocated
Pigeon Mountain Primary School	Begin a composting facility and build into the schools waste reduction programmes.	\$375.00
Manukau Central Kindergarten	Create a vegetable garden for children and parents.	\$380.00

De La Salle College	Plant natives to stabilize land and educate students about biodiversity.	\$455.00
Mike Renall	Undertake planting of natives along farm drains.	\$500.00
John and Rosemary Cotman	Possum, rat and mustelid control and monitoring; raising awareness in community about weka protection.	\$510.00
Friends of Mangemangeroa	Restoring coastal forest in the Mangemangeroa Reserve.	\$597.00
Akoteu Kato Kakala Early Childhood Centre	Creation of a green garden.	\$600.00
Lower Wairoa River Landcare Group	Riparian planting.	\$800.00
Wakaaranga School	Create a lizard friendly garden to educate children and the community about lizards and how they can be protected from predators.	\$1,110.00
Elm Park School	Native planting.	\$1,205.00
Manurewa East School	Plant natives to slow run off / dry out field and educate students about biodiversity.	\$1,300.00
Baverstock Oaks School	Creation of native tree area as an outside education tool.	\$1,500.00
Holy Cross School	Construct an eco walkway through a trail of native trees to educate students about pre European Manukau.	\$1,500.00
Shackleton Farms Limited	Planting wetland previously fenced.	\$1,500.00
Fiona Boddy	Revegetate banks of Wairoa River.	\$1,500.00
Hillpark Primary School	Restoration of bush and enhancement of area to be used for educational purposes.	\$1,560.00
Hololio Farms Limited	Riparian fencing and native planting.	\$2,000.00
Mangere East Primary School	Plant propagation unit.	\$2,000.00
Whitford Estuaries Conservation Society Incorporated	Native forest restoration of the riparian margins of the New Esplanade Reserve on the North Bank of the Turanga Estuary.	\$2,000.00
Whitford Park Golf Club Incorporated	Maintenance and plant pest control in newly planted areas and stream banks previously cleared of willows.	\$2,000.00
Orere Primary School	Enhance existing native planting area.	\$2,000.00
Kings College	Riparian planting.	\$2,000.00
Karen and Brian Riordan	Riparian fencing and native planting.	\$2,000.00
Trout Unlimited NZ, Auckland Chapter	Wairoa River riparian planting.	\$2,150.00
Te Ara O Puhinui	Riparian planting of the lower Puhinui stream.	\$3,500.00
The Maskell Trust	Fencing off bush remnants along with the establishment of a fully fenced off revegetation area.	\$3,745.00
Weymouth Intermediate School Board of Trustees	Development of native nursery and organic vegetable garden	\$3,760.00

Wai Care – Papatoetoe Stream	Otara Creek stream restoration.	\$5,300.00
Wai Care	Puhinui stream restoration.	\$7,900.00
George and Ann Richardson	Fencing off existing mature broadleaf/podocarp forest fragment and revegetating a buffer zone.	\$8,000.00

North Shore

Applicant	Environmental Initiative	Amount Allocated
Wai Care Kahika Stream	Plant pest control and native planting on Kahika Stream.	\$225.00
Environmental Club Rangitoto College	Development of native tree sanctuary.	\$1,000.00
Kristin School Charitable Trust	Implement a recycling system.	\$1,200.00
Verran Primary School	Butterfly house and native plants.	\$1,485.00
Kaipatiki Project Incorporated	Further develop their 'nature for neighbourhoods' which encourages environmental action and protection of native fragments on the North Shore.	\$2,000.00
Pinehurst School	Propagation shed.	\$2,500.00
Sunnybrae Normal School	Greenhouse and compost bin.	\$2,600.00
Pineridge Condominiums	Plant pest control and native planting of stream.	\$3,000.00
Centennial Park Bush Society Incorporated	Acmena removal and planting in Centennial Park.	\$3,600.00
Bayswater School	Native plant walkway.	\$4,000.00
Le Roys Bush and Little Shoal Bay	Native planting and fostering regeneration on the reserve.	\$8,000.00

Papakura

Applicant	Environmental Initiative	Amount Allocated
Friends of Margans Bush	Margans Bush restoration.	\$120.00
Vonita and John Olsen	Riparian fencing and native planting.	\$500.00
Bell Farms Limited	Additional planting in native bush area.	\$625.00
Opapeke School	Nature trail.	\$695.00
Conifer Grove Residents Association	Undertake native planting of an area adjacent to a coastal walkway in Conifer Grove, replacing exotics and plant pests with natives.	\$1,280.00

Papakura Normal School	Promoting sustainability and biodiversity.	\$1,540.00
Drury Primary School	Create a native haven aimed at increasing native bird and lizard activity.	\$1,600.00
YMCA of Auckland Incorporated- Camp Adair	Installation of worm farm at camp adair to manage disposal of food, garden, office and cardboard paper waste.	\$2,300.00
Pahurehure Inlet Protection Society	Coastal planting of PDC Esplanade Reserve at Pahurehure Inlet, Papakura.	\$2,875.00
Rotary Club of Drury Incorporated	Restoration of Hingaia Stream.	\$3,500.00
Hunua Environmental Protection Society Incorporated	Control possums and rats.	\$5,000.00
MK and JA Ellwood-Wade	Riparian fencing.	\$5,000.00

Rodney

Applicant	Environmental Initiative	Amount Allocated
Martin Connolly	Riparian planting.	\$390.00
Silverdale Primary School	Increase number of ecosourced flax planting to use as a resource for te Kotahitanga group and to provide tools for education for sustainability programmes.	\$750.00
Waimauku School	Compost bins to deal with green and organic school waste.	\$775.00
Sustainable North Trust	Sustainable Living Day event in Orewa for Rodney communities.	\$845.00
Terzaghi Farm	Native planting.	\$845.00
Philip Green	Remove plant pests and possums from wetland area to allow natural regeneration.	\$900.00
Antara Association Incorporated	Re-enhancement of stream bank to improve water quality and natural biodiversity.	\$1,000.00
The GD and PA Nelson Family Trusts Partnership	Construction of fence to reduce silt runoff to stream.	\$1,000.00
Kevin Brennan	Building nursery for restoration planting.	\$1,000.00
Tawharanui Open Sanctuary Society Incorporated	Tawharanui wetland restoration.	\$1,020.00
Helensville District Historical Society	Restoration of a historic structure.	\$1,460.00
Forest Ridge Community Group	Pest animal control project focusing on possums, stoat and rat control.	\$1,635.00
Te Hana Community Development Charitable trust	Clear existing vegetation and plant native riparian planting to the Te Hana Riverbank Reserve.	\$1,700.00
Koru Grove School	Gardening tools for environmental projects, increase biodiversity and minimise water usage.	\$1,870.00

Ken Fell	Fencing and native planting of a wetland and waterway presently in pasture with stock access.	\$2,000.00
MAR and J.G Fell	Fencing of 1 km of waterway and associated pest control.	\$2,000.00
Rob Barrett	Native planting.	\$2,000.00
University of Auckland	Restore retired farm pasture into native forest adjacent to a covenanted block and coastal public walkway.	\$2,500.00
Kathryn Erikson	Revegetation of Leigh kauri forest and associated wetlands.	\$2,650.00
Bruce and Deanne Townsend	Riparian restoration of perennial stream flowing into the Kumeu River.	\$2,655.00
Anthony Mcleod	Fencing wetland.	\$2,700.00
Trevor and Linley Mears	Fencing Kaipara Harbour front and river to protect marine flats and mangroves from stock. Fencing off native bush by riverside.	\$2,780.00
Manaia Properties Limited	Native planting of wetland on Manaia Creek.	\$3,000.00
Tapora Land and Coast Care Group	Native planting on a recreational reserve and plant pest control.	\$3,000.00
Alice Wilson	Riparian planting.	\$3,160.00
Susan and John Vujcich	Fencing off a wetland.	\$3,200.00
Mike Budgen	Riparian planting along a small, ephemeral tributary of the Matakana River.	\$3,000.00
Dubbel Dutch Farm	Complete fencing of a native forest which is a significant natural area and begin replanting an adjacent hillside.	\$3,000.00
James Whiteman	Riparian planting.	\$3,500.00
Muriwai Valley Farm	Wetland protection and restoration.	\$3,500.00
Pemberley Holdings Limited	Protection of native bush remnants and waterways.	\$4,000.00
Muriwai Beachcare	Muriwai dune restoration walkway.	\$4,000.00
Tomarata Farms Limited	The protection of waterways and wetlands.	\$4,000.00
Maybil Partnership	Fencing of a 2.8ha of riparian forest areas in the headwaters of the Hoteo River.	\$4,050.00
John Fisher	Pest plant control and native planting of a fenced riparian area.	\$4,455.00
Jutland Trust	Wetland restoration.	\$4,500.00
Muriwai Volunteer Lifeguard Service Incorporated	Restoration native planting of sand dune at Muriwai around the surf tower.	\$4,530.00
Forest Edge Community Group	Remove plant pests, plant natives and fence waterway and bush.	\$4,860.00
Waitakere City Rotary Club	Fence and plant a section of the Kumeu River.	\$5,000.00
Gilbert Hawkins	Fencing off 6.5 kms of waterways.	\$5,000.00

Iffley Meadow Farms Limited	Fence off gully, wetland and remnant bush on Waitapu Stream.	\$6,750.00
Carl and Adrienne Coombe	Fencing foreshore to stop stock access.	\$7,113.00
MOKO Resource Management Unit	Urupa protection and restoration.	\$9,550.00

Waitakere

Applicant	Environmental Initiative	Amount Allocated
Huia Weed Warriors	Plant pest control and native replanting of Robbie's Corner, Huia.	\$400.00
McEldowney Road and South Titirangi Road Community Initiative	Eradicate pest plants and restore the native bush by replanting natives.	\$405.00
McEldowney Road and South Titirangi Road Community Initiative	Eradicate pest plants and restore the native bush by replanting natives.	\$425.00
Glendene Play Centre	Vegetable garden and compost bin.	\$450.00
McEldowney Road and South Titirangi Road Community Initiative	Eradicate pest plants and restore the native bush by replanting natives.	\$480.00
McEldowney Road and South Titirangi Road Community Initiative	Eradicate pest plants and restore the native bush by replanting natives.	\$480.00
West Coast Road Initiative	Control of pest plants and replanting natives.	\$500.00
West Coast Road Initiative	Control of pest plants and replanting natives.	\$500.00
West Coast Road Initiative	Control of pest plants and replanting natives.	\$500.00
West Coast Road Initiative	Control of pest plants and replanting natives.	\$500.00
West Coast Road Initiative	Plant pest control and native replanting.	\$500.00
West Coast Road Initiative	Control of pest plants and replant with natives.	\$500.00
Roy and Caroline Arkesteijn	Stage 3 of restoration of tidal inlet bank.	\$500.00
McEldowney Road and South Titirangi Road Community Initiative	Eradicate pest plants and restore the native bush by replanting natives.	\$515.00
Arohanui Special School	Recycling system.	\$525.00

McEldowney Road and South Titirangi Road Community Initiative	Eradicate pest plants and restore the native bush by replanting natives.	\$560.00
Green Bay Primary School	Compost bins, school gardens, seeds, native plants and murals.	\$666.00
Bethells Baiting Group - Ark In Park Buffer Zone	Community pest animal control programme.	\$1,275.00
Waitakere Arts and Cultural Trust	Clear existing vegetation and plant native riparian planting in the Te Hana Riverbank Reserve.	\$1,500.00
Royal Road School	Continuing restoration project of existing riparian forest on banks of upper Moire Stream.	\$2,000.00
Titirangi Rudolf Steiner School	Organic gardening and waste reduction.	\$2,000.00
GECKO NZ	Native planting equipment for community and corporate planting days.	\$2,070.00
Waitakere Rivercare	Fencing and revegetating riparian margin of Waitakere River tributary.	\$2,140.00
Tirimoana School	Creating school education gardens.	\$2,155.00
Carey Park Christian Camp	Enable the camp to reduce organic waste to landfill and to educate camp children about waste reduction and using by products to enhance organic growth.	\$2,340.00
Waitakere Rivercare	Propagation of eco-sourced native plants in a community nursery for revegetation of Waitakere River banks.	\$2,720.00
Henderson Valley School	Restoration of a wetland area previously drained and grassed.	\$3,325.00
Swanson Primary School	Purchase a Trees for Survival planting unit and initial equipment costs.	\$3,945.00
