Tawharanui Open Sanctuary

We need your help for the continued success of Tawharanui Open Sanctuary.

- **You must check** all vehicles and equipment before entering Tawharanui Regional Park to ensure it is free of pests, vermin and hazardous material.
- **Dogs and all other animals and pets are prohibited at all times.** Please alert the park ranger if you see any animal pests.
- **Keep away from and do not touch any traps or bait stations.**
- Remove all rubbish, food, baits etc. It all attracts animal predator pests.
- Ensure that **any predator fence gates you use are always closed behind you.**
- **Do not climb the predator fence as this could damage it.**
