

VISITORS PLEASE NOTE:
 The coastline is difficult to access, very tidal and mainly mudflats and wetlands. The currents are very strong and dangerous. Swimming is not recommended, care is advised when undertaking water activities.

Dogs are prohibited at all times on all park land and adjoining coastlines.

Map not necessarily to scale, not to be used for navigational purposes. Map also does not show underwater hazards.

Times are based on an average walking speed of 2.5km/hr.
