

Bridle Trail (indicative only)  
Limited seasonal access and dependent  
on linkage across NSCC reserve

Move coastal track inland (away from  
cliff edge) and upgrade

Develop additional walking tracks with  
ecology and heritage interpretation

Mountain Bike Trails in Gully  
(indicative only)

Possible access point

Elevated - Tree Canopy Walk

Preferred location of Ranger Facilities and Education  
Centre. Reduce scale and minimise impact on  
landscape and ecological values. Final location  
flexible dependent on Vaughan Flats Access Route

Boardwalks with wetland  
interpretation

Interim Park Office

Retain Long Bay Restaurant. Investigate upgrade  
and future works through development of a  
business plan.
