Alice Elaine Hill	98	I support all the points raised in my original submission.	Mangroves around the edges of built up areas better left to prevent erosion	All our beautiful bays and estuaries are filling with untidy groups of mangroves.	Halt the rapid growth of mangroves. Prevent them taking over. Leave only those around the edges of built up areas.

Note: This form may be used but it is not essential. However, all of the details sought above should be noted in your submission.
